

SUPPLEMENTAL TRACK RULES

All weights on mowers must be painted white with the kart's racing number on each weight.

Anyone registering after 4pm will start in the rear for the heat race.

Upon entering Avon Park Mowerplex the driver (unless a minor) becomes sole spokesperson for themselves, crew, family, members, etc. It is understood that all racers want to win and with that there is an amount of frustration that goes along with racing; however, physical violence, verbal abuse, threats, and/or intimidation directed at ANY person at the event will not be tolerated. Unacceptable behavior will be means of disqualification and possible ejection from the event.

Inappropriate offsite actions, including postings on social medial will not be tolerated. Such actions through e-mail, telephone, text, internet forums and social media will have the same consequences as above whether directed at another racer, sponsor, guest, official, and/or racetrack. Negative social media in any form posted about the Mowerplex, Speedway officials and/or their Crews will not be tolerated. Depending on the severity of the incident, fines or suspensions may be assessed. We request you to partner with us by speaking with your entire team of this newly adopted policy.
