

Nasgrass, Inc. would love to have you join us for another National Lawnmower Race as we celebrate 33 years as an organization! We are America's first for-purpose lawn mower racing facility. The Historic Avon Park Mower-Plex was established in 2002. It came to fruition as the result of a dream by local lawn mower racing enthusiasts which resulted in the first for-purpose lawnracing facility in the United States.~

[www.NasgrassInc.com](http://www.NasgrassInc.com) Join us for an event that will get your motors running!
